The errors were found in the application as filed by Applicants. Please charge our Credit Card in the amount of \$100.00 covering the fee set forth in 37 C.F.R. § 1.20(a). Credit Card Payment Form SB-2038, with a signature from an authorized cardholder, is enclosed.

The errors now sought to be corrected are inadvertent errors believed to have been a translation error, as previously noted in prior amendments which were filed (for example, the amendment filed on June 29, 2006) changing the phrase "beam polarization mechanism" to "beam deflection mechanism" elsewhere in the application. As such, the correction supports term consistency and does not involve new matter or require reexamination.

Transmitted herewith is a proposed Certificate of Correction effecting such amendment. Patentees respectfully solicit the granting of the requested Certificate of Correction.

The Director is hereby authorized to charge any deficiency in the fees filed, asserted to be filed or which should have been filed herewith (or with any paper hereafter filed in this application by this firm) to our Deposit Account No. 04-1073, under Order No. H6808.0019/P019.
